

CERTIFICATE OF RECOGNITION

In Recognition of Makayla Miller's Community Garden Project

This Certificate of Recognition is presented to Makayla Miller to commend her for going above and beyond expectations in organizing, planning, leading, and implementing the revival of the Saginaw Community Garden. Ms. Miller's efforts inspire families to eat healthy and work together, establish community efforts to sustain the garden through daily watering, plant swaps, and fundraising. The Saginaw Community Garden contains multiple raised beds, specialty gardens, and handcrafted yard art from local artists. Future projects include more plant and seed exchanges, gardening classes from Texas Master Gardeners, and construction projects. The City applauds Ms. Miller's vision and passion to bring the community together through gardening. Congratulations on setting high standards and a job well done.

This certificate is awarded by Mayor Todd Flippo and the Saginaw City Council on this the 21st day of June, 2022.

Todd Flippo, Mayor, City of Saginaw, Texas
