

Planning and Zoning Commission Amendment

Date: November 8, 2022

To: Chairman and Members of the Planning and Zoning Commission

From: Salvador Gonzalez Jr.

Subject: Consideration and Action Regarding Approval to Consider an Ordinance Amending the Zoning Ordinance of the City of Saginaw, Texas, Amending Article 2, "Planning and Zoning Commission" of Appendix A, "Zoning," of the Saginaw City Code, which establishes a Planning and Zoning Commission and Provides for the Purposes, Organization, and Membership of the Commission.

Background/Discussion:

In 2022, City Council approved the creation of a Special Advisory Committee to review Commissions and Boards within the City and bring forth recommendations and changes for approval. Ordinance 2022-21 amends the Code of Ordinances regulating the Planning and Zoning Commission to adhere to the recommended changes suggested by the Special Advisory Committee.

An amendment to Section 2-2, *Membership and Appointment*, would grant the **mayor the ability to request alternates to step in place of a regular member** in absence or disqualification of a regular member of the Commission. The amendment also **establishes the requirement for Commissioners to serve on the Capital Improvements Advisory Committee.**

An amendment to Section 2-3, *Terms of Office*, would set a **term length of 2 years for an ad-hoc Capital Improvements Advisory Committee member** who is not a member of the Planning and Zoning Commission, set to expire on June 30th.

An amendment to Section 2-5, *Removal from office*, would grant the ability for City Council to **remove any member from the Commission** at any time, without cause.

An amendment to Section 2-6, *Organization and conduct of business*, would require newly appointed members to **complete open government training** within 90 days of being sworn in or assuming responsibility of the office.

Amendments to Section 2-8, *Meeting and quorum*, would establish subsections *Meeting and quorum*, and *Administration*. It would also require the Commission to **hold at least one regular meeting each quarter and grants the Commission the ability to call special meetings as necessary.** Additionally, the Commission would also have to **post agendas, minutes, and attendance to the Commission's webpage** on the official City website with the assistance of the City Manager or his/her designee. The Commission would also have to **provide annual reports to the City Council, as well as any additional or requested reports.**

An amendment to Section 2-9, *Commission Actions*, removes the ability for **alternate members to make a motion, and removes the ability to carry a failed motion to the next meeting.**

Staff Recommendation:

Staff recommends that the request for an approval of an Ordinance Amending the Zoning Ordinance of the City of Saginaw, Texas, Amending Article 2, "Planning and Zoning Commission," of Appendix A, "Zoning," of the Saginaw City Code, which establishes a Planning and Zoning Commission and provides for the purposes, organization, and membership of the Commission, be forward to the City Council with a recommendation for approval.
