Subject: Recommendation to Purchase a Vac Truck

In the 2022-23 Water & Wastewater budget, one new Vac Truck was approved for the department. The new Vac Truck will replace unit 279E which is a 2014 model. This unit has exceeded the original plan of keeping unit 279E for 5 years.

Public Works staff has recommended and gotten quotes for a new Vac Truck to replace unit 279E. This new unit which serves as the life line piece of equipment for the Water & Wastewater operations will help continue Saginaw's ability to provide quality and efficient services to its citizens.

The funds for this unit will come from the Capital Outlay account 05-7000-50-00. Council approved an amount of \$561,525 to be spent towards the new Vac Truck. Attached is a BUYBOARD Quote Contract with a price for a new Gap Vax truck through Lonestar Freightliner Group for \$559,318.59. They have offered a trade-in value for unit 279E at \$80,000, which brings the purchase price to \$479,318.59.

I would like to recommend to Council for their consideration and approval of the purchase of the new Gap Vax Vac Truck from Lonestar Freightliner Group in the amount of \$479,318.59. I would like to get this item on the next Council agenda for Nov. 15, 2022.
