Dear Mr. & Mrs. Linthicum,

Southwestern Bell Telephone Company, d/b/a AT&T Texas, has no facilities in the platted 8-foot-wide Utility Easement shown at the rear (South side) of your property referenced above. We have no interest in and no objections to the abandonment of this Utility Easement.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Ray A. Garcia".
