August 13, 2019

To: Rick Trice, DPW

From: Randy Newsom, Operations Supt.

Subject: Recommendation To Purchase Service Truck's

In the 2018-19 Park's Department, Drainage Department and Public Services Department budgets new service trucks were approved in each department.

The new truck for the Park's Department will be a 2019 Chevrolet 1500 and will replace unit #904 which is a 2007 F150 with over 140,000 miles. The new truck for the Drainage Department will be a 2019 Chevrolet 1500 and will be used by the new Drainage Tech that we added to the department. The new truck for the Public Service's Department will be a 2019 Chevrolet 2500 and will replace unit # 417 which is a 2008 F350 with over 150,000 miles.

Our Chief Mechanic has obtained three quotes for the trucks and has recommended that we purchase the 3 trucks from James Wood Motors in Decatur. They had the lowest bids on the trucks. I have attached the quotes for your review. These trucks will be purchased from the Capital Outlay account in each department.
