DISCUSSION:

The Texas Economic Development Council (TEDC) announced the recipients of its annual Economic Excellence Recognition program for 2019. The awards were presented at the TEDC's 2020 Winter Conference in College Station, Texas.

The Economic Excellence Recognition program provides recognition to economic development organizations that meet a desired threshold of professionalism. Recipients qualify for recognition based on training taken by their governing board/council as well as the economic development director and professional staff. Certifications, professional memberships and activities, and organizational effectiveness of the economic development staff also contribute to the standards for qualification.

The TEDC's Economic Excellence Recognition program is one of the ways in which our organization honors the outstanding commitment to excellence of our communities and regions, their leaders, and their economic development professionals have toward the professionalization of their economic development efforts.

A record number of fifty-three (53) organizations received the 2019 Economic Excellence Recognition including the **City of Saginaw, Texas**.
